

Powering Bermagui!

See what we've done since July to help get lower bills and cleaner energy

**CEFE Bermagui Chapter public meeting
Sunday 10th December, from 2 to 4 pm
At the Bermagui Country Club**

- How much power is used and generated in the Bega Valley
- Potential for renewables to serve most, even all, users
- How your electricity bill is made up
- How to choose between deals on offer from electricity suppliers
- How to buy domestic solar panels and batteries ...
- and how much money they'll save - and even make - for you
- Measuring and improving the energy efficiency of your home
- Solutions for places where you can't install solar
- Opportunities for businesses

Come along, bring your friends
